Foreword

It's been great having you in Mrs Pandaris' homeroom with me. Best of luck to you. *John Bours*

The Spirit pervades everything that goes on at Maine West, from the cheering crowds at football games to the laughter in the halls and the intentness in the classroom; from the awe of freshmen to the tears of parting seniors. It is a glowing, growing Spirit that is created by the students and faculty, that gives life to the school, that believes in **The Maine Way**, that knows its strength but perceives its weaknesses. It is a Spirit that shapes the futures of Maine West students and stays with them the rest of their lives.

We have tried to capture that Spirit in the pages of this book by recording the significant and memorable events of this year: our first Homecoming under the lights, the expansion of the building, the outstanding performances of our teams and athletes, V-Show. Our pictures show the important part of the events—the people who made them—the spirit makers.

The expansion of the building was begun this year when the addition to D-wing was constructed. The field house would soon, too, be a reality.

Lynn, I have enjoyed knowing you. Despite every bit of teasing, too. Just think, we had life before us, exciting, ready to begin! So Drain the Drips and Live! So enjoy your life, as Jimmie, "of course" hope to go. Love, Linda

THE GROWING

The lights for the football field were used for the first time this fall. The combined efforts of students, parents, and the Board of Education made the installation of the lights possible.

Constantly growing and moving forward, the students at Maine keep the Spirit with them wherever they go.

Lynn,
 It's been so

Art Stimulates Imaginative Thinking

The Art Department offers a variety of different courses at various levels to meet the needs of all students interested in this field. All courses, though, strive to instill in every student a better understanding and appreciation of the beauty in our world. Students gain experience in expressing their own moods and feelings through good design and craftsmanship and learn to see things with more depth and imagination.

Safety education, a required course, gives students a good background and working knowledge of the car itself and of proper driving attitudes. After a student has successfully completed this course, he is eligible to take driver education in either summer school or during the regular school year. Through driver education students can learn to drive under the supervision of a well-trained instructor who is more than capable of developing in every student good driving practices and respect for the rights of others, not only on the road but in everyday experiences and activities.

The study of a foreign language enables students to become familiar with the customs and traditions of a country other than the United States. Students learn about the political, economic, and social developments of each country that they study in relation to American development. The language courses also help students to gain a deeper understanding and knowledge in grammar and literature.

Language Department Stimulates International Understandings

Understanding among individuals, groups, or nations depends greatly upon the ability to express views and communicate with one another. The English Department gives students a chance to read and listen to the works and beliefs of well known authors and then to formulate their own ideas and opinions concerning the concepts presented. Class discussions, oral presentations, theme writing, and reading all types of literary works stimulate the development of both character and mind.

Math Students Seek Logical Answers

The Maine West Mathematics Department encourages students to think clearly and with precision when dealing with problems they might encounter in the future. Music Fosters Self-Expression Development

The Music Department hopes to develop in every student a feeling of self-discipline and pride in the work he performs, whether it be playing an instrument or singing. Through the music courses at Maine West students are given the opportunity to take part in groups, such as the band, orchestra, and chorus. Each of these courses requires a great deal of hard work, but at the same time offers much enjoyment for each individual.

Boys are able to participate in a variety of different sports within the Physical Education Department. They are taught the rules and regulations of each sport they play and gain a basic understanding of the skills involved. Many of the boys are able to join the "500 Club" by scoring higher than 500 points on the physical fitness tests that are given each year. They also may become involved in competitive sports through the intramural and interscholastic programs.

The Spirit of Victory float

Warriors fight to win in Maine

Homecoming '67 was held on October 13 and it proved to be one of the best at Maine West. School was dismissed early, and a special all-school assembly was held.

At the assembly a radiant Homecoming Court was announced—Diana Quinn, Carol Hway, Joan Beyer, Barb Basner, Delann Olson, Linda Larsen, Beth French, Linda Wells and Sue Odom. This year the procedure for naming the Queen and Court was changed to include nine semi-finalists instead of five. The Pep Club sponsored a contest for the cutest coach and awarded the title to Mr. Jobst.

Though the afternoon parade was postponed because of rain, the floats appeared between the sophomore and varsity games.

Under the new stadium lights, the varsity squad plowed over the Glenbrook South Titans 26-0 while the sophomores suffered a 9-6 loss.

Michelle Landry and her escort Eric Kinder were crown bearers for the Homecoming Dance, "Sound of Victory." The crowning of Queen Carol Hway provided a memorable event to Homecoming '67.

Concert Hails Christmas Season

Talented dancers perform "March of the Toys."

This year's concert presented many new and interesting pieces. "The Toy Symphony" was performed with miniature toy instruments. Mary Ann Wallace and Diane Becker twirled through the "March of the Toys" from *Babes in Toyland*. A special bell choir was organized to perform the "Symphony of Bells." Pam Osburn composed an original song which was performed by a choral group under her direction. The Concert Choir closed the concert with many traditional Christmas carols. This concert did much to usher in the spirit of Christmas.

Year's Queen and her Court were crowned where the winner was Queen while Karen Johnson acted as Senior Attendant, Debbie Maling as Junior Attendant, Debbie Liska as Sophomore Attendant, and Laura Lorentz as Freshman Attendant. Though the blue and white theme had faded, Blue Frost will remain in the memory of many.

The Queen and her Court are shown in the photo above. Karen Johnson is the Senior Attendant, Debbie Maling is the Junior Attendant, Debbie Liska is the Sophomore Attendant, and Laura Lorentz is the Freshman Attendant. The photo also shows the King and his Court.

Academic Acclaim

Eight seniors brought honor to Maine this year by being chosen as National Merit Semi-Finalists. These outstanding students were Melissa Amling, Geraldine A. Bokor, Steve Cornelius, Ann Jackson, Jeri Jacob, Peter Saxe, Philip Schug, and Frank Schulz. The purposes of the National Merit Program are to identify students of unusual intellectual attainment and promise, to honor these students publicly, to help as many of them as possible to attend the college of their choice, and to provide a means for education and business to financially assist them. Mr. George Blanas, chairman of the Scholarship Committee for 1967-1968, made this comment concerning the semi-finalists: "The faculty, students, and community are proud of the achievement shown by the eight semi-finalists in the National Merit Scholarship Competition."

The eight Maine West students selected represented about one-half of one percent of the nation's graduating class.

National Merit Scholars

Jane Earns English Award

Jane Engle became only the second student in Maine West's history to be named runner-up in the annual Achievement Awards Competition of the National Council of Teachers of English. Jane was one of 800 finalists chosen from 8,000 English students representing schools from 50 states and American Prep schools abroad. Jane's essay, titled, "My Brother," gives her a chance to attend the college of her choice. Four other Maine West students—Bob Connelly, Don Maruska, Frank Schulz, and Frank Grange, were nominated for the competition last spring by the English Department.

Malisse Amling, Mike Wseniewski, and Sue Ripley became radio personalities when they took part in a panel discussion on WNWC. The program was the weekly favorite "Teens Look at the Word" and the topic was water pollution. The students offered opinions on the subject, and they agreed that it was "unpleasant" and that "It affects everyone although they do not believe it."

The students also believed that regional laws were needed to deal with the problem and felt that the balance of nature was upset by water pollution. Mr. Boyer coached the students.

The Maine West team was picked by their diversified knowledge and wide range of subjects. Many Maine students competed for the honor of representing the school.

Long hours of practice and coaching sessions were rewarded by an outstanding season for Coach Basinger's cross-country team.

The Varsity basketball team had a season of ups and downs this past winter. Coach Freeman's Warriors were plagued the entire year by injuries and illness. Because of the problems the players were unable to put the same squad on the floor in two consecutive games. The situation for the Warriors was tough when four regulars were missing at one game.

Despite their problems the Warriors played a bustling brand of basketball. They defeated the Mid-Suburban champions, Wheeling, by one point, 55 to 54, and also downed area-ranked Morton, West, 56 to 52. The Warriors finished the season in a tie for fifth place.

The 1967-68 Varsity Wrestling Squad, under the direction of Coach Carlini, found the going a little rougher this year in the new Conference. Although it was not their most successful campaign, they did finish with a respectable Conference record. Next year's grabblers should have more depth with many returning lettermen and a fine group of Sophomores and Juniors.

Frosh — Sophs Show Promise

Although the Varsity Gymnastics Team completed one of the most disappointing seasons, it appears to have been a season for rebuilding a strong Conference contender for next year. One of the reasons for their dismal record was the return of only one letterman, Rich Suda. Next year promises a much better record with the return of many experienced gymnasts.

The 1967-68 Varsity Swim Team, under the expert guidance of new Coach Pete Andersen, finished the season with a three and seven record. Although new school records were broken and many first places taken, the team just didn't have enough depth to carry the team to victory. Skip Parent, a freshman, proved to be a strong point for the team and should have a promising future ahead of him. Dan Brinkman '68 represented West in State competition in both the 50 and 100-yard free styles.

The 1966-67 Varsity Baseball Team, headed by Coach Al Carstens once again took Conference for the seventh consecutive year by compiling a respectable 17-3-1 season record and by placing first in the District tournament. With all teams looking good the Conference championship this year will prove to be more of a challenge. Team potential is high with five returning lettermen: Bruce Kaechele, Kurt Felde, Harry Tistle, Bob Banger and Ted Waskewicz as well as many good junior prospects.

Freshman year is exciting and confusing. The school year is new because there are so many people. Everything is new: the dances, the sports events, pep assembly, float building, all the clubs. There are more opportunities to have fun than ever before because there is always something to do.

Sophomore year means taking biology and driver safety. The school doesn't seem as big as it did last year, and there are not quite so many strange faces. Sophomore year is a good time to relax and have fun. The excitement of freshman year is over, but the college scramble has not yet started. Sophomores are in the middle of everything, especially their high school career.

 things to look forward to. There are many things to look forward to. Get your grades up!
 Attend College Night, enjoy the fun of the Junior Week, driver's

Senior year at last. High school seemed to have gone too fast. "You Can't Take It With You," college entrance exams, college weekends, the last P.T.C. party all took place in one year. Soon came the question, "Will you march with me?" The Senior Prom, "Ours to Remember," was held at Henrici's; and the Dream Train transported the happy couples to Delview. Wednesday, June 23, 1960, the Class of 1960 left Maine West to explore future horizons.

In Conclusion

We hope that this book has effectively captured the Spirit of Maine West. We would like to thank Mr. Bernie Calahan, representative of Taylor Publishing Company, and Mr. Walker, our sponsor, for their patient advice. Our thanks also to Bob Therriault for his many photographs, Gordon Shirling for artwork, Mr. George Hiltwein for the stadium picture on page 5, and Walinger Studio for the major portion of the photographic work.

The Spirit of Maine West does not stand still. It stays active and growing. May this spirit remain active and growing within all of the students of Maine West.
